NOTE - Where the rate is dependent on value, shippers are required to state specifically in writing the agreed or declared value of the property. The agreed or declared value of the property is hereby specifically stated by the shipper to be not exceeding \$ \_\_\_\_\_ per \_\_\_\_\_

Subject to Section 7 of the conditions, if this shipment is to be delivered to the consignee without recourse on the consignor, the consignor shall sign the following statement. The carrier shall not make delivery without payment of freight and all other lawful charges.

(Signature of Consignor)

**FREIGHT CHARGES**☐ Prepaid ☐ Collect

Where the applicable tariff provisions specify a limitation of the carrier's liability (NMFC Item 172). If there is no release or value declaration by the shipper, and the shipper does not declare a value or release the carrier's liability, that liability shall be limited to the extent provided by NMFC Item 172. California intrastate shipments must comply with NMFC Item 173.

RECEIVED, subject to the classifications and lawfully filed tariff in effect on the date of issue of the Bill of Lading, the property described above in apparent good order, except as noted (contents and condition of contents of packages unknown) marked consigned and destined as indicated above which said carrier (the word carrier being understood throughout this contract as meaning any person or corporation in possession of the property under the contract) agrees to carry to its usual place of delivery at said destination, if on its route, otherwise to deliver to another carrier on the route to said destination. It is mutually agreed as to each carrier of all or any of said property over all or any portion of said route to destination and as to each party at any time interested in all or any said property that every service to be performed hereunder shall be subject to all the bill of lading terms and conditions in the governing classification not the date of shipment.

Shipper hereby certified that he is familiar with all the bill of lading terms and conditions in the governing classification and the said terms and conditions.

This is to certify that the above-named materials are properly classified, described, packages, marked and labeled and are in proper condition for transportation according to the applicable regulations of the Department of Transportation.
